

Palm Sunday reflection questions

Read Psalm 118

- Share the part that speak to you most powerfully.
- David spoke of the four 'BUTS' of verses 10 - 13. Can you think of a phrase inspired by this way of praying that speaks to us today? Something like: *I am self-isolating at home **BUT** Jesus is with me always.*
- The sermon applied verse 22 to King David and also to ourselves, but what does it tell us about Jesus?
- Where else do you see Jesus in this Psalm?

Read Matthew 21: 1 - 11

- What was the significance of a donkey?
- Why were the crowds cheering? How were they right and how were they wrong?
- How would you explain the value of Holy Week and the cross to people unfamiliar with the Christian story?
