

Connecting the Sunday Sparkle at Hearsall Baptist with the Daily Dust of Life

THE DAY OF WONDERS!

This week meet together for a celebration. Please arrange to get together in a more relaxed gathering. Let each person bring some (or all?) of the following:

- A photograph from an interesting moment in your life
- Something you like to eat
- Something you like to drink
- An object that says something about who you are
- A favourite item of clothing that is just YOU
- A favourite song or piece of music
- A favourite game to play
- A favourite figure from history
- A favourite Bible verse
- A favourite poem or reading
- A story to tell from days gone by
- An answer to this question: *If you were the next Prime Minister what three new laws would you introduce immediately?*

Bring other stuff you like too!

When you meet, eat and share and don't take yourselves too seriously.

If you wish, have a closing time of prayer.

- You could read Psalm 65 or Ephesians 3: 7 - 21
- You could sing some worship songs
- You could thank God for the wonders you see in each other.
- You could ponder this question: **'Is God part of our life or are we part of God's life?'** (See Colossians 3:3)
